

HOCHSCHULE MAINZ
UNIVERSITY OF
APPLIED SCIENCES

At present nobody in our University is known to be infected by Corona Virus. We write you in order to be prepared well in case of an outbreak. The University takes intensive care to reduce the risk of infection as far as possible.

For public health reasons we thank all students or staff who have traveled to/from the places most affected by the virus COVID-19 — namely China (province of Hubei (including the City of Wuhan), France (Region Grand Est (Alsace, Lorraine and Champagne-Ardenne), Italy, Iran, South Korea (province Gyeongsangbuk-do (North Gyeongsang), — that comply with the **quarantine period 14 days, according to the guidelines of the Robert Koch Institute, Berlin:**
https://www.rki.de/DE/Content/InfAZ/N/Neuartiges_Coronavirus/Risikogebiete.html),

In detail we ask all students or staff concerned to observe the following instructions. These are precautions taken in order to minimise the risk of infection as far as possible:

Please inform us about your arrival *before* entering Germany. Tell us the day as well as the flight or train number. Please write an e-Mail to the International Office of the University of Applied Sciences Mainz. Please also contact your institutional responsible for your stay

Students arriving from the countries or regions of high Corona risk are asked to only come to the University following the 15th day of their entry into Germany. For entering the University it is prerequisite that you are symptom-free and healthy.

We ask all Incomings to carefully evaluate how he or she feels during these 14 days.

In case of symptoms such as colds, fevers, coughs, etc. please observe the following instructions:

- Call the international office
- The International Office will take care of a doctor's appointment in Mainz and inform you by phone.
- Keep away from other people as far as possible

Students in need of quarantine will not be penalized in pedagogical terms, and should inform the university about their situation immediately.

We appreciate the cooperation of all very much! And we do hope, that your trip to Germany will be a safe and easy one. We´re looking forward very much to learning to know you!

Thank you and *Herzlich Willkommen* in Mainz soon!

Mainz, 11th march 2020
