Information concerning Coronavirus – Please read through carefully!

At present, there are no Coronavirus cases known in Mainz and at our University. We are writing you in order to take precautionary measures in the case of an outbreak.

For public health reasons, we ask all students or staff who have travelled to/from the places most affected by the virus COVID-19 to comply with a quarantine period of 14 days, according to the guidelines of German Health Ministry, Berlin:

Which areas are to be considered risk areas?

Currently (as of: 28 February 2020), the German Robert Koch Institute has defined the following risk areas:

In China: Hubei province (incl. the city of Wuhan) and the cities Wenzhou, Hangzhou, Ningbo, Taizhou in Zhejiang province
In Iran: Ghom province
In Italy: Lombardy region, and the city of Vo in the Padua province of the Veneto region.
In South Korea: Gyeongsangbuk-do province (North Gyeongsang)

This definition will be adjusted as the situation evolves. Please follow the informations on:
https://www.rki.de/DE/Content/InfAZ/N/Neuartiges_Coronavirus/Risikogebiete.html,

Your Arrival in Germany and the first 14 days

We ask all students or staff to observe the following instructions. These are precautions to be taken in order to minimise the risk of infection as much as possible:

• Inform us about your arrival before entering Germany by writing an email to the International Office of Mainz University of Applied Sciences (Business School sabine.klebig@hs-mainz.de and Engineering and Design: erich.weiler@hs-mainz.de). Tell us the day of arrival as well as the flight or train number. Please also contact your own institution responsible for your stay.
• Students arriving from the countries or regions with high Corona risk are asked to only come to the University following the 15th day after their entry into Germany. For entering the University, it is mandatory that you are symptom-free and healthy.
• We ask all incoming students to carefully evaluate how he or she feels during these 14 days.

In case of symptoms such as colds, fevers, coughs, etc. please observe the following instructions:

➢ Call the International Office immediately under the following numbers: Business School +49 6131 628 7363. Engineering and Design +49 6131 628 7365. Outside of office hours call the following number: 116 117 (24/7 medical on-call duty).
Information concerning Coronavirus – Please read through carefully!

- The International Office will take care of a doctor’s appointment in Mainz and inform you by phone.
- Avoid contact with other people as far as possible.
- In case of emergency, dial 112.

Students in need of quarantine will not be penalized and should inform both their and our University about their situation immediately.

We also ask you to take the following precautions to avoid infection: avoid physical contact such as shaking hands, wash hands frequently and carry small hand sanitizer bottles with you, sneeze and cough into your sleeve, avoid touching your eyes, nose and mouth.

We appreciate your cooperation very much! We wish you all safe travels and an enjoyable and successful stay in Germany.

We’re looking forward to welcoming you soon at Mainz University of Applied Sciences!

Thank you and Herzlich Willkommen!

Yours,

Hochschule Mainz, University of Applied Sciences

Mainz, 28.2.2002
