Welcome to Hochschule Mainz, University of Applied Sciences

Thank you for being interested in studying at our University. This guide is meant for all international incoming students of Hochschule Mainz, both Bachelor and Master students staying with us one semester or a full academic year either in the framework of an exchange programme or as a free mover student.

We warmly recommend you to read this handbook carefully. A lot of information **especially for you** concerning studying and living in Mainz will help you planning your stay here and settle in to our University and the city of Mainz. We hope that you enjoy your studies at Hochschule Mainz!

Your International Office Team

Germany – Mainz

The Federal Republic of Germany is composed of 16 federal states. It is located in the centre of Europe and has nine neighboring states. With a population of about 82,500,000 citizens it is the most highly populated country in the European Union, but according to area size it is the third largest country. As a member of the European Union and NATO Germany is an important place for European and international contacts. Its central position means it serves as a bridge between the countries of Western and Eastern Europe, and as well as between those of Northern and Southern Europe.

Mainz, the capital town of Rhineland-Palatinate (www.rlp.de) with 207,000 inhabitants has an impressive historical past, over 2.000 years old. Mainz has played a central role in German history, the cathedral, seat of the bishop of Mainz, dates back to 975. The city's famous son, Johannes Gutenberg, printed the first bible in 1452.

As the centre of the Rhein-Main region, Mainz is well-known for its friendliness and cosmopolitan outlook, which is best demonstrated during the carnival season. Mainz is also an important economic base for industry (such as IBM and the Schott Glass factory) as well as being a significant media centre (ZDF and Südwestrundfunk radio and television channels are all based in Mainz).

The twin towns of Mainz are Dijon, Longchamps (France), Watford (England), Zagreb (Croatia), Valencia (Spain), Haifa (Israel), Erfurt (Thuringia), Rodeneck (Italy), Baku (Azerbaijan) and Louisville (Kentucky, USA).

For further information, please see:

<http://www.mainz.de/en/index.php>

Studying at the Hochschule Mainz

The Hochschule Mainz, University of Applied Sciences: a system of clearly structured courses combined with practical usage, which can be mastered in a reasonable and defined time period. With the introduction of the bachelor/master structure in the courses of study, the University has ensured the internationality comparability of its diplomas and it is part of the European Higher Education Area.

For us it is only natural to orientate our teaching internationally. We co-operate with about 90 international partner universities in the entire world. Integrated foreign courses, internationally recognized master's courses, support of study periods abroad and exchange programs for lecturers as well as efforts to intensify the students' language training through foreign language classes all play an important role.

The close contacts, which exist with many enterprises and the practical emphasis in the bachelor thesis, ensure a smooth transfer from student to professional life.

A particular strength of the university teaching staff is that all of them have also had many years professional experience in business or industry. The Mainz University of Applied Sciences puts especial emphasis on closeness to its students. The good rapport between students and university lecturers is promoted by intensive advising, small learning groups, teamwork and many joint projects.

Degree Programs

School of Engineering

Architecture

Bachelor in Architecture (B.A.)

Part-time Bachelor in Architecture with integrated practical period (B.A.)

Master in Architecture “Housing – Existence and Development” (M.A.)

Part-time Master in Real Estate Project Management (M.Sc.)

Civil Engineering

Bachelor in Civil Engineering (B.Eng.)

Bachelor in International Civil Engineering (B.Eng.)

Civil Engineering (with Business Studies) (B.Eng.)

Master in Civil Engineering (M.Eng.)

Bachelor in Facility Management (B.Eng.)

Master in Facility Management (M.Eng.)

Continuing Education part-time Master in Facility Management (M.Eng.)

Geoinformatics and Surveying

Bachelor in Geoinformatics and Surveying (B.Sc.)

Master in Geoinformatics and Surveying (M.Sc.), different specialisations possible

Part-time Master in Geoinformatics (M.Eng.), different specialisations possible

Continuing Education part-time programme in Geoinformatics (Certificate), different specialisations possible

School of Design

Communication Design

Bachelor in Communication Design (B.A.)

Master in Communication Design “Gutenberg Intermedia” (M.A.)

Media Design

Bachelor in Time-based Media (B.A.)

Master in Time-based Media (M.A.)

Interior Architecture

Bachelor in Interior Architecture (B.A.)

Master in Interior Architecture “Kommunikation im Raum” (M.A.)

School of Business

Full time programmes

Bachelor in Business Administration (B.A.)

Master in Management (M.A.)

Master in International Business (MA.IB)

Master International Business (MSc in cooperation with London South Bank Univ.)

Bachelor in Business Law (LL.B.)

Master in Business Law (LL.M.)

Master of Science in Business Administration non-business-degree holders (M.Sc.)

Part time programmes

Part-time Bachelor in Business Administration (B.A.)

Part-time Bachelor in Information Systems with Integrated Job Training (B.Sc.)

Part-time Bachelor in Media Management and IT with Integrated Job Training (B.Sc.)

Part-time Master in Management (M.A.)

Part-time Master in Business Law for Lawyers and Business People (LL.M.)

Part-time Master in Taxation

Part-time Master in Auditing

Part-time Master in Public Private Partnership-MLB

Part-time Master in IT Management (M.Sc.)

The International Office's main tasks are to promote and intensify co-operation agreements with foreign universities, to assist foreign students and teaching staff at the university, and to give advice and help to students and teaching staff at the Hochschule Mainz who wish to study or work abroad.

The following offers are made for foreign students at the Hochschule Mainz as part of the **Tutorial and Welfare Programs:**

◦ **Induction Courses (Introduction Week)**

A few days to help foreign students get to know the study procedures at the beginning of the summer and winter semesters, e.g. enrollment, study plan, excursions, guided city tour, introduction to Olat, Intercultural Competence Training, registration with Foreign Office, Excursion to "Haus der Deutschen Geschichte", Riverboat Party, etc.

◦ **Subject Tutors**

Students in higher semesters offer specific subject tutorials for foreign students to help them prepare for course work and examinations. They also help explain difficult subject matters, the teaching and learning methods common at the HS and help with any linguistic problems.

◦ **Excursions**

Our excursion program aims to deepen and widen academic knowledge by giving the students the opportunity to learn more about Germany's culture, economy and society as well as to intensify international contacts between students.

◦ **Other Information Sources and Programs of Events**

The Student Service of the University of Mainz, catholic and protestant students communities also offer a wide range of programs for foreign students, which the HS students are welcome to participate in. Events about cultural, political, social and economic aspects of German life, as well as events about foreign cultures are some of the items on their programmes. Furthermore, they offer a wide range of excursions.

(<https://www.studierendenwerk-mainz.de/internationales>)

◦ **Foreigners Become Friends**

Foreigners Become Friends brings together citizens of Mainz and international students. Students and hosts may share various activities: sightseeing, eat & drink, learn languages, cultural events, sports.

[Fremde werden Freunde](#)

APPLICATION/ADMISSION

Application/Admission of Exchange students

First of all your home university has to nominate you as an exchange student to our university. We confirm the nomination via e-mail and kindly ask the students to send us the complete application documents, which are:

- Online-application via the following link, which is accessible until May/Nov 15th.

Please copy/paste the entire link (both lines):

https://www.service4mobility.com/europe/BewerbungServlet?sprache=en&identifier=MAINZ08&kz_bew_art=IN&kz_bew_pers=S&aust_prog=ALL

- Learning Agreement (signed by yourself and your international coordinator).
- Certificate of health insurance (for EU citizen copy of the EHIC)
- Copy of your passport or ID card
- CV in English or German Language

The acceptance letters will be sent out immediately after the deadline.

Application Deadline

15th of May for winter semester (semester 1) and full academic year

15th of November for summer semester (semester 2)

Study Program and Learning Agreement

International Civil Engineering:

On the following pages (21 ff) you will find the module plans for all the partner universities of our ***Pathway International Civil Engineering/International Built Environment***. There you will find the modules you will be able to study during your semester/academic year at Hochschule Mainz. We have compared (in some instances) the courses of our partners, but we appreciate that such courses maybe subject to change. In the next chapter there are the module descriptions where you can find all the details of the courses. Finally there are templates for your learning agreement – pre-filled with the program according to your study path. Make sure you choose the right one. Please fill in your personal and the exchange details.

Do not forget table B, in which the recognition at your home university has to be determined and – also very important – the signatures!

Financial Requirements

Exchange students coming to study at our University for one semester or one academic year will not have to pay tuition fees. European students normally get an ERASMUS grant from **their home university**. Other exchange students should have already applied for grants etc. in **their home country**.

Generally speaking, you must try to ensure that your stay in the Federal Republic is on a financially secure footing before you start your studies. Do not assume that you will be able to finance your studies by being able to work in Germany, because you do not have an automatic right to work for more than three months a year (90 days full time or 180 days part time) and you may not be able to find or keep a job.

Non-EU students normally must show that their income is secured. A financial statement is required and could be:

- scholarship, grant...
- a blocked account with min € 853,-/month at your disposal*
- a declaration of commitment

For further information please contact the German Embassy or consulate in your home country or:

<https://www.auswaertiges-amt.de/de/service/visa-und-aufenthalt/visabestimmungen-allgemein>

or

http://www.internationale-studierende.de/en/prepare_your_studies/entry_into_germany/proof_of_financing/

* You can open a blocked account with many banks. The easiest way to do this is via the Internet. Here are some

suggestions: <https://www.fintiba.com/de/>
<https://www.expatrio.com/blocked-account>

Language Skills – Prerequisites

International Civil Engineering:

- English B2
- Ielts 6
- Toefl 550

THE ACADEMIC YEAR

The academic year is divided into two semesters at the HS Mainz, University of Applied Sciences:

Semester 1 - WINTER SEMESTER 2021/22

Start of semester: October 2021
End of semester: January 2022

Semester 2 – SUMMER SEMESTER 2022

Start of semester: March 2022
End of semester: July 2022

Study Periods

Study periods are different from semester dates:

Semester 1 – WINTER SEMESTER 2021/22*

Classes begin: October 01, 2021
Classes end: end of January 2022 (including examination period, exceptions possible)
Orientation: September 2021
Christmas break: December 24, 2021 to January 01, 2022

Semester 2 – SUMMER SEMESTER 2022*

Classes begin: March 2022
Classes end: end of July 2022 (including examination period, exceptions possible)
Orientation: March 2022

*Subject to alterations

Semester Break

Students studying the whole academic year from October to July will have a 6-weeks-break between end of January and middle of March. Students studying the whole academic year from March to January will have a 10-week-break between middle of July and end of September.

Public Holidays in Germany

	2021/2022
Day of German Unity	03.10.2021
All Saint's Day	01.11.2021
Christmas	25./26.12.2021
New Year's Day	01.01.2022
Easter	15.04. – 18.04.2022
Labour Day	01.05.2022
Ascension	26.05.2022
Whitsun	05.06.-06.06.2022
Corpus Christi	16.06.2022

BEFORE COMING TO MAINZ

If you are planning to come and study in Germany, you should start your preparations at least one year in advance, because a successful stay is often only possible if it has been properly planned. You will need to use your own initiative and be persistent. Apply in good time to the contact addresses and persons to ensure you fulfill all admission requirements to be able to study at the HS Mainz.

Insurances

Health Insurance

If you wish to study in Germany you need health insurance. **Without proof of health insurance coverage you cannot be enrolled at Hochschule Mainz.**

With some countries, such as members of the **European Union** and the European Economic Area, Germany has a social security agreement. As long as you have public health insurance at home you can get this insurance coverage approved by a public health insurance company in Germany. But make sure you clarify at home which documents you will need to take with you! For students this is usually a European health insurance card (EHIC). **All other foreign students** also need health insurance. We strongly recommend taking out German health insurance (about 90€ per month).

Basically, up until you are 30 years old or until your 14th term of study you must have compulsory health insurance.

Some private health insurances from other countries may also be recognized in Germany. Such an insurance needs to meet the “Schengen” requirements and cover at least 30.000 € for medical treatment. Please note, that only English or German contract copies will be accepted. You should clarify the exact details with your insurance. It is possible that your insurance will not cover all costs in Germany. Before you enter the country make sure you know exactly what services you are entitled to in Germany. If your private health insurance is recognized then for the purpose of your enrollment at university you will need confirmation that you are exempt from taking out public health insurance. But be aware that for the duration of your studies you cannot change to public health insurance!

More information:

<https://www.aok.de/pk/rps/aok-studenten-service/>

http://www.internationale-studierende.de/en/prepare_your_studies/entry_into_germany/health_insurance

Accident Insurance

All registered students at the HS Mainz are covered by **compulsory accident insurance** for any accidents, which may occur at the university or on their way to or from it.

Liability Insurance

You are not covered in the event of being personally responsible for accidents or damage caused. As the responsible party you are then personally liable. To cover such cases, it is recommended that you take out a **third party accident and liability insurance**.

Immigration Regulations/Registration

Foreign Students from EU Countries

Foreign students from EU countries are allowed to **enter** the Federal Republic of Germany without any particular formalities. However, if you plan to **stay** in Germany for more than three months, you must apply for a residence permit at the ‘Bürgeramt der Stadt Mainz’ (public administration office responsible for foreigners). The following items are required:

- A passport or an identity card valid
- Your rental contract
- Application form of registration

You need the residence permit for opening a bank account in Germany or for the German tax card, a document that is necessary in case you try to find a job. In addition to their studies, foreign students are allowed to work for up to 90 days (full time) or 180 days (part time) a year without requiring a work permit.

Foreign students from Non-EU Countries

Regulations for foreign students studying in the Federal Republic of Germany are subject to the laws for foreigners. Please inform yourself and apply to the German Embassy in your home country about current regulations concerning **entry** and **residence** for the Federal Republic of Germany. To enter the country you will certainly require a valid passport with visa or a residence permit for students. To apply for this we will send you an invitation letter from our university. A tourist or visitors visa is not sufficient. You also must apply for a resident permit at the 'Bürgeramt der Stadt Mainz' (foreign office) after your arrival.

A registration certificate is required for extending your visa and opening a bank account. Registrations will be carried out in the introductory week.

IMPORTANT:

Generally speaking, all Non-EU foreigners *require a visa* for stays in Germany. A visa is not required for visits of up to 90 days in an 180day period for nationals of those countries for which the European Community has abolished the visa requirement. As your stay is in any case longer than 90 days, your visa will have to be prolonged.

For this we do need to arrange an appointment with the foreign office in Mainz. The prolongation appointment may normally be granted within two month after arrival, but this cannot be guaranteed. This means, once a tourist visa is expired, you cannot leave the country for a weekend trip (e.g to Paris, Rome...). Details, for which countries the visa regulations have been abolished, can be found here:

https://www.auswaertiges-amt.de/en/einreiseundaufenthalt/visabestimmungen-node#content_1

Re-registration/Deregistration

This applies to all international exchange students: If you move house during your stay, you are required to re-register your new home at the local registration office, i.e. you must register your new address. On leaving Germany when you have finished your studies you must deregister yourself at the local registration office.

Cost of Living

Cost of living depends on your personal expenses. The minimum budget for living and studying in Mainz is about 853€ per month. The following expenses have to be taken into account:

Rent:	300 to 400 € per month
GEZ:	17.50 € per month (Broadcasting Contribution Fee is to be paid three months at a time)
Food:	lunch at the student restaurant costs between 3 and 5 €
Copies:	40 € per semester
Books:	depending on the courses (100 to 200 € per semester)
Social semester fee:	ca. 330 € (Includes the public transport for the whole semester and other student benefits)
Excursions and events:	about 60€ per semester

ACCOMMODATION IN MAINZ

In principle, you may apply to stay at any one of the residential accommodation units. A map showing where the different residences are situated is available on **the next page**. However, as there are not always enough rooms available in sufficient quantity, we advise you to prioritize your requests (e.g. Inter II 1., K3 2., Wallstraße 3, etc.). The Student Services will do its best to meet your requirements, but we hope you realize that it is not always possible for everyone to be allocated their first choice.

Description of the Residence Halls

Please find the description on page 14-16.

Application Procedure

If you would like to apply for accommodation in a student residence, you have to apply **pro-actively** and **directly** to the Student Services ('*Studierendenwerk*') in Mainz. Application has to be done online:

<https://www.studierendenwerk-mainz.de/wohnen>

Responsible for Accommodation:

Studierendenwerk Mainz
Wohnraumverwaltung
Staudinger Weg 21
55128 Mainz
Germany

Tel. +49 (0)6131 392 4982

Fax +49 (0)6131 392 4734

E-mail: wohnen@studierendenwerk-mainz.de

SIS Pack

There are no bedclothes, pillows or kitchenware in the rooms of the residential accommodation. You can either bring these things with you or buy a "SIS-Pack" provided by the Student Services. This Service Pack can be compiled individually from different objects for the kitchen or your room. You will get more information via email from the Student Services once your accommodation is booked.

In every residence there is a TOM House tutor. He/she is responsible for you in your residence. E.g. will you arrive out of office hours of the housekeeper your TOM House tutor will give you your room keys.

Application Deadline

Please fill in the online application form **by 15th of July at the latest (for the winter semester/semester 1) or 15th of January (for the summer semester/semester 2).**

Applications will be dealt with as they arrive, so the earlier you send your application form in, the more chance you have of getting the room you want.

Rental Agreement

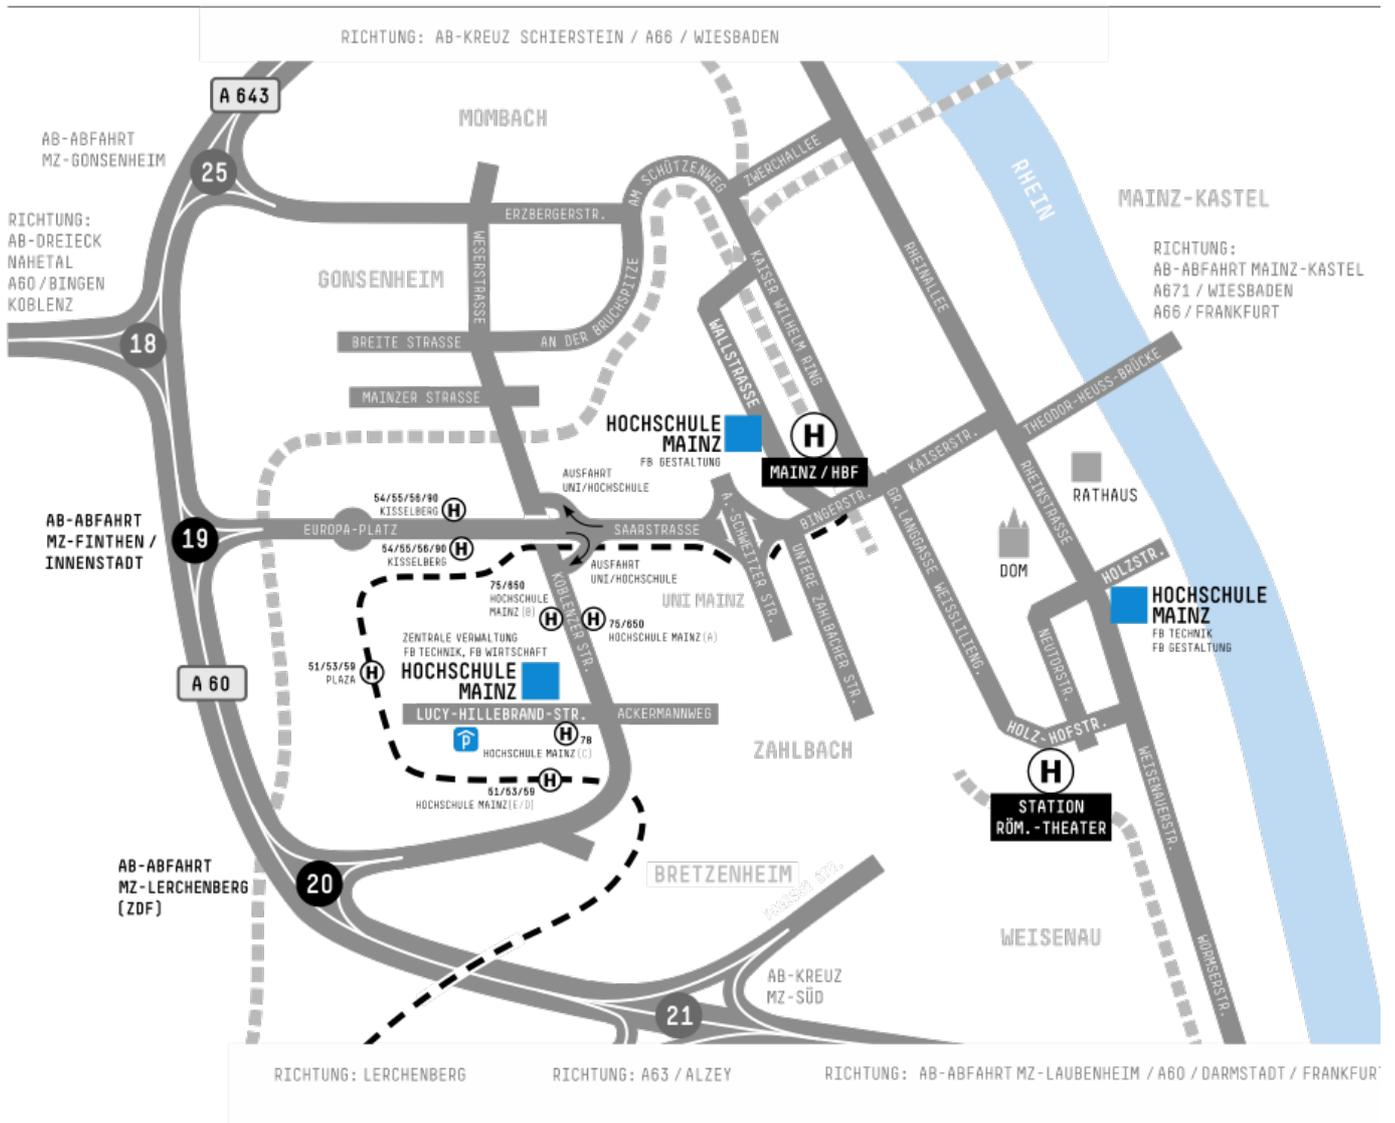

You will receive a rental agreement from the Studierendenwerk (Student Service), as a rule per e-mail at the end of July/January. The agreements are concluded for a full semester. In the winter semester the rental agreements cover a period from September to February and in the summer semester from March to August. A so-called holiday rental in February or August is possible; details on this can be obtained from the Student Service.

The rental agreement must be **signed and returned** to the Student Service within the period stated! This is important, otherwise the rental agreement will not come into effect and the room will be rented to someone else.

This rental agreement is binding.

Please inform the Student Service about any changes of your e-mail address.

Total beds in all dorms			4194		

Legend

SR	Single room		Refrigerator
SA	Single apartment		Kitchenette (with 2 hot plates, 1 refrigerator, cupboards)
DR	Double room		Basin with hot and cold water
DA	Double apartment		Telephone connection
	Shared kitchen		Cable TV connection
	Shared showers		Internet connection
	Shared toilets		Parking places (Price)
	Bathroom (with shower)		Washing machines and dryers in the dorm

Basic facilities in every room:

1 Wardrobe, 1 Shelf, 1 Bed, 1 Chair, 1 Table, 1 Office chair

Please note, those items are not provided:

Bed linen (Blanket, Pillow, Bedcovers)

Towels, Dishes, Cooking pots

Alternatively we do offer you a SIS Pack after you signed the contract. – A basis equipment of the room. You can order it and we deliver it to your room before your arrival.

AFTER YOUR ARRIVAL

Travel Information - How to get to Mainz

From Frankfurt International Airport

You arrive at Frankfurt (international) Airport. The airport has 2 Terminals. The regional trains (to Mainz) depart from the local railway station (*Regionalbahnhof*), which is situated under Terminal 1.

Therefore, if you arrive at Terminal 2, you will need to take the Sky Train shuttle service to Terminal 1, and then follow the signs for the *Regionalbahnhof* (**not *Fernbahnhof***).

At the local railway station, follow the signs for S-Bahn. Please take the S8 trains (direction Mainz/Wiesbaden). Do not forget to buy a ticket at the RMV ticket machines beforehand! Tickets cost approx. €7,50 so please have some cash, or €5 or €10 notes ready. The trip takes between 18 to 25 min..

After you cross the river Rhine, the first station will be **Mainz-Römisches Theater**. If you want to go to location Holzstraße get off there. **Mainz Hauptbahnhof (main station)** would be best if you want go to your student accommodation (second station after the river Rhine).

From Hahn Airport (Frankfurt Hahn)

A shuttle service from the airport to Mainz station is available. The transfer takes about 90 minutes. Further information under:

http://hahn.orn-online.de/busfahrplan_mainz.htm

https://www.hahn-airport.de/default.aspx?menu=by_bus&cc=en

Tutors

During the introduction week and during the semester several tutors will support you. These will be Mainz students who will accompany you during the excursions and events and who will help you also with the bureaucratic issues.

Semester Social Fee

In order to register, there is a social services charge made of approx. 330,- € which covers the costs of social welfare services as well as a **free travel ticket per semester** for public transport throughout the whole Rhine-Main region. This is not a course fee. The semester social fee can be transferred from abroad, or after your arrival in Germany.

Enrollment

Only after you have been officially enrolled as a student you will have the legal status of a student of the HS Mainz. In order to make your start as smooth as possible, there will be a few things that have to be prepared from abroad. You will need a student ID and number to get full access to the IT services of Hochschule Mainz or your student dormitory. This ID is also necessary to open a bank account and for several other things and at the same time will be your semester ticket!

To provide your student ID from your very first day in Mainz, we need to start the enrollment process before your arrival, which means – prior to arrival – you will have to

- pay the semester social fee (using the „our“-bank transfer instructions) and upload the payment receipt
- hand in a confirmation of your health insurance (EU-students – a copy of the EHIC, NON-EU-students – a German Health insurance or a confirmation according to the Schengen-agreement (refer to page 11 of this document)
- fill-in the enrollment application

Details will follow by email a few weeks before the semester starts. Please transfer the fee and upload the documents only after you received this email and be assured, that if anything goes wrong with your enrollment, we will be able to fix this after your arrival and e.g. provide a temporary ticket.

FURTHER INFORMATION

Leisure and Sports Facilities

All students at the Hochschule Mainz are also allowed to use the *Leisure and Sports Facilities* of the Johannes-Gutenberg-University in Mainz. Their activities cover everything from A for Aikido to Y for Yoga, from general keep fit to competitive sporting activities: <https://www.ahs.uni-mainz.de/sportprogramm/sportarten-a-z/>
In addition to that there are many sports and leisure clubs in Mainz, which anyone can join. Somewhere there is a club for you! It should not be too difficult to find a suitable place to spend your free time with like-minded friends, unless you find it too difficult to decide amongst all the choices!

Psychological Counseling

Psychological counseling covers the following areas: individual counseling sessions, 'learning to study' groups, self-awareness groups and relaxation therapy. The therapeutic conception consists of various elements such as body psychotherapy, elements of family therapy and transaction analysis, relaxation and mental training techniques. Contact person is Ms. Nathalie TCHOUANGDONG: Nathalie.tchouandong@hs-mainz.de

Career Center

The Career Center is a cross-faculty institution which is on the one hand the central interface of the University of Applied Sciences Mainz between companies and students and on the other hand a fundamental element of the course-related offers at the University of Applied Sciences Mainz which plays the role of a support partner for students with regard to their professional orientation and career entry.

We offer our students comprehensive consultation and information about the topics internship, finding a job, professional application and career planning. Further information: <https://www.hs-mainz.de/studium/services/fachbereichsuebergreifend/career-center/uebersicht/>

Student Union Organizations

The student union organizations consist of three organs, the General Meetings, the student parliament (STUPA) and the General Student Council (AStA). Whilst it is the student parliament and the General Meetings which control the AStA's work and decide about changes to student contributions, the main daily business is done by the Student Council (AStA). For example, it offers students advice and support in social and economic matters. Furthermore, the AStA (School of Business) organizes tutorials as well as the 'legendary' events for first semester students. The AStA also produces a magazine twice every semester called 'BASTA' and, last but definitely not least organizes the HS-Parties! Information, dates of important events etc. are on the AStA's home page under: <http://www.asta-hs-mainz.de>

Student Card/Student Restaurant

In the student restaurants you can pay without cash using your student card (Studicard). This can be purchased for a fee of € 5 in the student restaurant and you can top it up with credit. Do not top up more than 20 Euros and make a photo of the card number (in order to be able to trace it in case of a loss).

The location Campus at the University of Applied Sciences Mainz has a cafeteria in the building where you can buy drinks and sandwiches and which is open during lectures from 9.00 am to 4.00 pm. There is a student restaurant in building K3 of the halls of residence which is about one minute walk away from the university where a menu costs between about € 3 and €5.

Internet Access

At Student Halls

Generally you will have access to the Internet in all student halls. Please apply for the access after your arrival. Information and application forms are available from the student service.

At the University

During the semester you will have access to the different computer rooms at our Campus from 7.30 am, to 20.00 pm. Further information will be given during the introduction week.

Internet Access via EDUROAM:

Before coming to Mainz please ask in your home universities' IT department if your home university participates in "eduroam". If they do, please register as soon as possible in your home country, this will facilitate your Internet access here in Mainz with you own laptop, etc.

Eduroam (education roaming) allows users (researchers, teachers, students, staff) from participating institutions to securely access the Internet from any eduroam-enabled institution. The eduroam principle is based on the fact that the user's authentication is done by the user's home institution, whereas the authorization decision allowing access to the network resources is done by the visited network.

<http://www.eduroam.org/index.php?p=faq>

HIP and OLAT

HIP is the information portal of our university. Our students need HIP to get an overview of all achievements, to get information concerning timetables and exam dates, to know about room occupations as well as information about lectures, etc. Further information and login will be given during the introduction week.

OLAT is a Learning Management System provided by the Virtual Campus Rheinland-Pfalz. Lecturers use OLAT to communicate with the students. The main issue of OLAT is the provision of information (*foils, slides, Weblinks, Literature...*). The International Office also communicates with the exchange students via OLAT during their stay in Mainz. All exchange students will get an introduction to OLAT during the introduction week.

Important Dates During the Semesters

International Office and exchange students will meet once a month. Students will get information concerning examination regulations, Research Methods and excursions. Furthermore once a semester the International Office arranges an international student fair "Studying Abroad" for prospective outgoing students of Hochschule Mainz. We kindly ask you to represent your university and answer questions concerning living and studying at your home university. The fair will be held in May and November.

ECTS Workload/Grading Scale

In order to facilitate the organization of credit mobility and its recognition, the three parties involved – the student, the sending institution and the receiving institution – should agree on the program abroad. They should formalize this in a **Learning Agreement**, to be signed by the three parties before the start of the mobility period. The Learning Agreement is intended to give the student the confirmation that the credits he/she successfully achieves during the mobility period will be recognized.

The learning outcomes of the whole program of study abroad should be compatible with or complementary to the learning outcomes of the home degree program for which recognition is to be granted after the study period abroad.

The Learning Agreement should identify a set of suitable educational components to be taken at the receiving institution and how they will be integrated into the program of the sending institution. The student is expected to take educational components of 60 ECTS per full-time academic years / 30 per semester. The receiving institution

commits to register the incoming student in the planned educational components, verifying that these components are available for the foreseen mobility period. Once it is signed by all three parties, the Learning Agreement can be modified thereafter, if necessary, by agreement of all three parties concerned.

ECTS represents the total amount of work needed to pass a module. 1 ECTS \approx 30h. It has no reference to the marks achieved. The mutual calculation of marks should be based on the latest ECTS guide-lines. The German grading scale ranges from „1,0“ = excellent to „4,0“ = sufficient.

International Civil Engineering / Built Environment

On the following pages you will find the module plans for all the partner universities of our ***Pathway International Civil Engineering/International Built Environment***. There you will find the modules you will be able to study during your semester / academic year at Hochschule Mainz.

For details regarding the course content please refer to the separate „Module Descriptors“ (level 2 and 3).

Finally there are templates for your **learning agreement**. Pre-filled with the programme according to your study path. Make sure you choose the right one. Please fill in your personal and the exchange details:

- 01 :: Civil Engineering 1 Year Level 3
- 02 :: Civil Engineering 1 Semester Level 3
- 03 :: Civil Engineering 1 Semester Level 2
- 04 :: Construction Management 1 Year Level 3
- 05 :: Construction Management 1 Semester Level 3
- 06 :: Facility Management 1 Year Level 3
- 07 :: Facility Management 1 Semester Level 3
- 08 :: International Built Environment Pathway
- 09 :: Project Semester

Do not forget table B, in which the recognition at your home University has to be determined, mention whether your modules are winter or summer and – also very important – the signatures!

Commitment

By signing this document, the student, the Sending Institution and the Receiving Institution confirm that they approve the Learning Agreement and that they will comply with all the arrangements agreed by all parties. Sending and Receiving Institutions undertake to apply all the principles of the Erasmus Charter for Higher Education relating to mobility for studies (or the principles agreed in the Inter-Institutional Agreement for institutions located in Partner Countries). The Sending Institution and the student should also commit to what is set out in the Erasmus+ grant agreement. The Receiving Institution confirms that the educational components listed in Table A are in line with its course catalogue and should be available to the student. The Sending Institution commits to recognise all the credits gained at the Receiving Institution for the successfully completed educational components and to count them towards the student's degree as described in Table B. Any exceptions to this rule are documented in an annex of this Learning Agreement and agreed by all parties. The student and the Receiving Institution will communicate to the Sending Institution any problems or changes regarding the study programme, responsible persons and/or study period.

Before the mobility

Study Programme at the Receiving Institution				
Planned period of the mobility: from [month/year] to [month/year]				
Table A Before the mobility	Component code (if any)	Component title at the Receiving Institution (as indicated in the course catalogue ⁷)	Semester [e.g. autumn/spring; term]	Number of ECTS credits (or equivalent) ⁸ to be awarded by the Receiving Institution upon successful completion
		Study Skills		1
		German (or Construction Project Management)		5
		Project Management		6
		Applied Facilities Management		6
		Applied Infrastructure Management		6
		International Project Management		6
Web link to the course catalogue at the Receiving Institution describing the learning outcomes: <i>[please refer to the Module Descriptor]</i>				

The level of language competence in **English** that the student already has or agrees to acquire by the start of the study period is:
 A1 A2 B1 **B2** C1 C2 Native speaker

Recognition at the Sending Institution				
Table B Before the mobility	Component code (if any)	Component title at the Sending Institution (as indicated in the course catalogue)	Semester [e.g. autumn/spring; term]	Number of ECTS credits (or equivalent) to be recognised by the Sending Institution
Provisions applying if the student does not complete successfully some educational components: <i>[web link to the relevant information]</i>				

Commitment

By signing this document, the student, the Sending Institution and the Receiving Institution confirm that they approve the Learning Agreement and that they will comply with all the arrangements agreed by all parties. Sending and Receiving Institutions undertake to apply all the principles of the Erasmus Charter for Higher Education relating to mobility for studies (or the principles agreed in the Inter-Institutional Agreement for institutions located in Partner Countries). The Sending Institution and the student should also commit to what is set out in the Erasmus+ grant agreement. The Receiving Institution confirms that the educational components listed in Table A are in line with its course catalogue and should be available to the student. The Sending Institution commits to recognise all the credits gained at the Receiving Institution for the successfully completed educational components and to count them towards the student's degree as described in Table B. Any exceptions to this rule are documented in an annex of this Learning Agreement and agreed by all parties. The student and the Receiving Institution will communicate to the Sending Institution any problems or changes regarding the study programme, responsible persons and/or study period.

				Total: ...	

- ¹ **Nationality:** country to which the person belongs administratively and that issues the ID card and/or passport.
- ² **Study cycle:** Short cycle (EQF level 5) / Bachelor or equivalent first cycle (EQF level 6) / Master or equivalent second cycle (EQF level 7) / Doctorate or equivalent third cycle (EQF level 8).
- ³ **Field of education:** The [ISCED-F 2013 search tool](http://ec.europa.eu/education/tools/isced-f_en.htm) available at http://ec.europa.eu/education/tools/isced-f_en.htm should be used to find the ISCED 2013 detailed field of education and training that is closest to the subject of the degree to be awarded to the student by the Sending Institution.
- ⁴ **Erasmus code:** a unique identifier that every higher education institution that has been awarded with the Erasmus Charter for Higher Education (ECHE) receives. It is only applicable to higher education institutions located in Programme Countries.
- ⁵ **Contact person:** person who provides a link for administrative information and who, depending on the structure of the higher education institution, may be the departmental coordinator or works at the international relations office or equivalent body within the institution.
- ⁶ An "**educational component**" is a self-contained and formal structured learning experience that features learning outcomes, credits and forms of assessment. Examples of educational components are: a course, module, seminar, laboratory work, practical work, preparation/research for a thesis, mobility window or free electives.
- ⁷ **Course catalogue:** detailed, user-friendly and up-to-date information on the institution's learning environment that should be available to students before the mobility period and throughout their studies to enable them to make the right choices and use their time most efficiently. The information concerns, for example, the qualifications offered, the learning, teaching and assessment procedures, the level of programmes, the individual educational components and the learning resources. The Course Catalogue should include the names of people to contact, with information about how, when and where to contact them.
- ⁸ **ECTS credits (or equivalent):** in countries where the "ECTS" system is not in place, in particular for institutions located in Partner Countries not participating in the Bologna process, "ECTS" needs to be replaced in the relevant tables by the name of the equivalent system that is used, and a web link to an explanation to the system should be added.
- ⁹ **Responsible person at the Sending Institution:** an academic who has the authority to approve the Learning Agreement, to exceptionally amend it when it is needed, as well as to guarantee full recognition of such programme on behalf of the responsible academic body. The name and email of the Responsible person must be filled in only in case it differs from that of the Contact person mentioned at the top of the document.
- ¹⁰ **Responsible person at the Receiving Institution:** the name and email of the Responsible person must be filled in only in case it differs from that of the Contact person mentioned at the top of the document.
- ¹¹ **Reasons for exceptional changes to study programme abroad (choose an item number from the table below):**

<i>Reasons for deleting a component</i>	<i>Reason for adding a component</i>
1. Previously selected educational component is not available at the Receiving Institution	5. Substituting a deleted component
2. Component is in a different language than previously specified in the course catalogue	6. Extending the mobility period
3. Timetable conflict	7. Other (please specify)
4. Other (please specify)
